Perfect for large rooms

With 5.5 L water tank Wilfa HUE-55W can provide a cool mist 300 ml per hour suitable for room sizes up to 100 m².

Cool and warm mist

This hybrid ultrasonic model produces cool mist that easily absorbs into the air like steam. Wilfa AROMA MIST is quiet, has low maintenance and is safe for children.

UV light function

Ultraviolet light treat the water and kills bacteria before it starts to moisten the air.

Aroma diffuser

Drip a few drops of essential oil on the aroma sponge and wait while the room fills the air with your favourite scent.
